To Whom It May Concern:

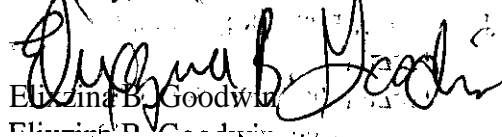

CC Docket Nos. 96-45 and 97-21

I would like to 'Request a Waiver' of the 60 day limit to file an appeal to the SLD for form 471 application numbers 537303 and 535958. The Funding Commitment Decision Letters notifying me of the application denial are dated November 7, 2006 for billed entity number 127184, Dorchester School District Four. During the period of this decision, I was working on the 'Audit Response' to send in to the SLD for a recent audit conducted on Year 2002-2003. In addition, we were out of school for two weeks in December, 2006 and did not return to school until January 4, 2007. We do not have an ERate consultant in my district; I am responsible for all ERate filing and correspondence. We have a small school district and one person wears many hats.

Please consider my Request for a Waiver so that we may appeal the decision of the above mentioned Form 471 applications. As mentioned in the previous paragraph, we are a small school district and we depend on ERate funding to help us provide technology infrastructure for our students.
